## Exercise 1

### 1<sup>st</sup> STEP

Try to DRAW a PICTURE like this using INKSCAPE:

Document SIZE: DIN-A5

Orientation: Landscape

**2<sup>nd</sup> STEP**

**TRY to DRAW the same picture again but using GIMP.**

**Document SIZE: DIN-A5**

**Orientation: Landscape**

**Exercise 2**

**1<sup>st</sup> STEP**

**MODIFY the SVG picture with INKSCAPE**

**TRY to GET a picture like this:**

**2<sup>nd</sup> STEP**

TRY to MODIFY the same picture again but using GIMP.

## Exercise 3

**1<sup>st</sup> STEP**

Create a NEW document with OpenOffice or Word and make a TABLE of 2 COLUMNS and 4 ROWS.

In the 1<sup>st</sup> ROW insert the first pictures DRAWN with InkScape and Gimp.

In the 2<sup>nd</sup> ROW you have to explain the differences of drawing with InkScape or Gimp.

In the 3<sup>rd</sup> ROW you have to insert the both pictures modified with InkScape and Gimp.

In the 4<sup>th</sup> ROW you have to explain the differences about modifying a picture with InkScape and Gimp.

**2<sup>nd</sup> STEP**

UPLOAD your TEXT document into the MOODLE to be checked by your teacher.
