VISUAL ARTS 2nd ESO

Lessons and Activities

Graphic Signs

1. Logotype.

It is the graphic representation of a brand made of pictures and letters.

The picture of a LOGO has to be simple because:

| | reproduce | |
|------------------------|-----------|----|
| You have to be able of | remember | it |
| | identify | |

The letters of a LOGO can be:

Sometimes, the letters can be designed in a very creative way to make a picture with them.

Lessons and Activities

Let's practice!

1. Make your own LOGO for a BRAND of SPORT SHOES into the square below.

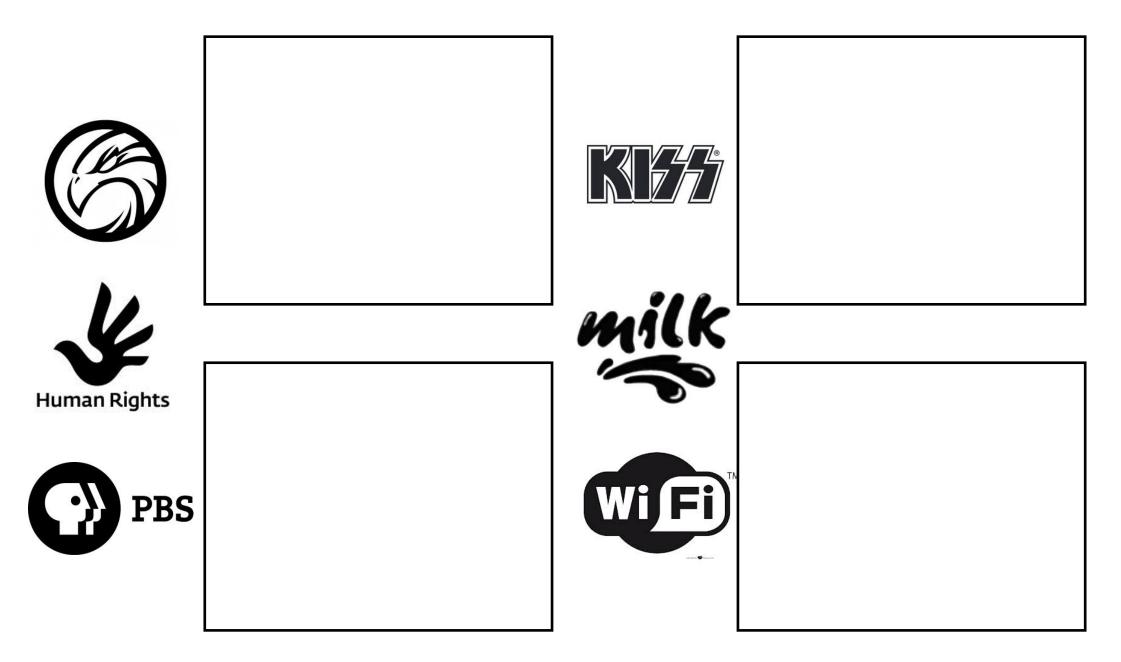

2. Make your own design for this SPORT SHOES using your own LOGO.

Observe these logos and brands.

Now you must draw 2 logos and 2 brands in the squares and transform them: the colour, the style, ... as you want.

| Draw an animal in a realistic style. | Make a pictogram of the animal you have drawn. |
